

REACH Certificate of Compliance

Based on information obtained from our component suppliers, Analog Microelectronics certifies that, to the best of our knowledge, all our sensors and integrated circuits are in compliance with the requirements of the European Chemicals Agency (ECHA) under the provisions of Regulation (EC) No. 1907/2006 of the European Parliament and of the council concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH).

The maximum concentration values of the substances listed in the Candidate List of substances of very high concern (SVHC) published by the ECHA is lower than the 0.1% per weight threshold.

All substances and materials used are, accordingly to the information provided by the suppliers, REACH-compliant and informations are regularly checked.
